Beyond Public Racism and Deconstruction: Creating an Alternative to Swedish Political Mythology

Within the Pentagon, civilian and uniformed Pentagon officials were in conflict about the procedures for how to determine the costs of weapons to be contracted for manufacturing. Finally, I highlight two problematic aspects of the wartime conversion and postwar reconversion which must be avoided if we hope to ensure a conversion to a more democratic and solidaristic economy.

Report: Nonviolent Livelihood Struggle and Global Militarism: Links & Strategies

Neoliberal capitalism and endless war The burgeoning militarism of the Canadian state needs to be set in the current geopolitical correlation of forces. Altogether, some 7 million people went through training programs, almost half through Training- Within-Industry programs.

WORLD WAR ONE MILITARISM FACTS

As a friend who was an employee at BIW many years ago points out, BIW did convert years ago—from making commercial ships to naval destroyers. But soon, the problems from afar will inevitably arise as shared emergencies, stirring wider concerns.

The Promise of Economic Conversion

In this regard, it can only be said that less prominently advertised problems and strategies behind China's conversion effort also warrant examination. Globalization Promotes Inequality, Unrest, and Conflict Economic inequality is growing; more conflict and civil wars are emerging.
