Wreck of the Whale Ship Essex by Owen Chase

I'd take any facts from the afterword with a grain of salt, though.

If you and 19 of your closest sea-bros decide to set sail for some epic ally disturbing whaling, and subsequently find yourselves having pissed off what was likely the impressively-sized mother of two or three, ugh smaller sperm whales that you've already harpooned, and she rams your ship out of sheer spite, TWICE, thus succeeding in sinking your sorry ship and leaving all of you marooned on three rickety whale boats for three+ months, I'm going to, as I did while reading this first-person ac If you and 19 of your closest sea-bros decide to set sail for some epic ally disturbing whaling, and subsequently find yourselves having pissed off what was likely the impressively-sized mother of two or three, ugh smaller sperm whales that you've already harpooned, and she rams your ship out of sheer spite, TWICE, thus succeeding in sinking your sorry ship and leaving all of you marooned on three rickety whale boats for three+ months, I'm going to, as I did while reading this first-person account of the sinking of the whaleship Essex, wish whales had hands so I could high-five that momma sperm whale and all whales in general. The ship lay completely on its side for several minutes before righting itself, and no permanent damage was done, but many of the crew took it as an ill omen. Born 10 January 1851, Matthew was the first man to die.

On 16 November, on a boat in which Owen Chase was commanding, a whale that had been harpooned used its tail to wreck the boat. Less imaginable is the mental anguish of fearing so many unknowns, not the less The tale, as told by first mate Owen Chase of the whaling ship Essex, involves the crew's fate after a whale unceremoniously rams the Essex twice with its iron-like head and sinks the ship. It's better than Moby Dick could have been because of the facts the author provides.

Wreck of the Whaleship Essex a Narrative Account B (1st THUS)

This short book was written by Owen Chase, the first mate of the Essex, soon after he arrived home in Nantucket.
