Part 2, covering Years 9, 10 and 11, consists principally of five series of books, designed to suit pupils of different attainment: Y yellow , R red , B blue , G green and A amber. The Amber series is for those pupils who find the Green series too difficult, although it is a course for low attainers in itself and can be used independently of other SMP materials. The resources haven't been digitised as far as I can tell; I've had a good look through the ebrary this morning.
