In some states, this is the only disability organization with funds that can be used for advocacy, training, demonstration, and applied research. The size of the UCEDD network has been expanding slowly since its inception.

## Introducing a Human Rights

Thus different approaches are expected. Peer support and lived experience perspectives Exposure to others with lived experience is also found to be helpful in recovery and retaining community connections. Realisation of increased empowerment however, will highly depend on the realization of overall growth objectives projected in the Economic Pillar of Kenya Vision 2030 Republic of Kenya, 2007.

MCIL staff and board conduct systemic advocacy on issues identified by consumers and as engaged members of boards and coalitions that are working on these issues in their local community.

## Developmental Disabilities & Independent Living Networks

This was especially an issue for the ADA webinar. A shift in understanding development was marked by sudden interest in participatory approaches in development De Beer, 1998 and Chambers, 2007.
