Swinton, John 1829

But if this fact is not reassuring, it is at least a perfectly natural and inevitable result of the national policy. A system which carefully provides for the free development of individuality is necessarily open to abuses. The programme of the Knights of Labor to-day is almost identical with that which the French collectivists adopted in 1880, and there is more than a coincidence in the fact.

The Labor Question

Committee on Energy and Commerce.

The Labor Question

If we have produced a small number of millionaires, we have created millions of well-to-do citizens.

The Labor Question

When millionaires whose wealth has been obtained by sharp practice, by chicanery, by circumventing the laws, by monopolizing the national heritage, by gambling on the stock exchange, by making corners in food products, by wrecking railways, by watering stocks, flaunt their money in the faces of the poor, these latter may become either resentful or emulous. Thus far they have been unable to control themselves at difficult junctures, and have shown a disposition to resort to illegitimate weapons, which they will have to abandon. Subcommittee on Postal Facilities and Canada.
