## Constructivism (philosophy of education)

Quantitative findings revealed high-graded essays employ more attitudinal items and fewer monoglossic resources than low-graded ones. Secondly, I could not communicate in English even after completion of the SLC.

## 11th International Conference on Psychology, Language and Teaching (I...

Research based on direct self-report questionnaires and indirect measures generally shows that learners with positive attitudes, motivation, and concrete goals will have these attitudes reinforced if they experience success. The teachers did the planning, implementing, and organizing of the lesson by using digital and printed materials to assess the learners. .

## Second Language Writing and Research: The Writing Process and Error Analysis in Student Texts

Teaching and Teacher Education, 43, 15- 26. Basnet works as a full-time faculty at Bijeshwori Gyan Mandir Sainik Mahavidyalaya, Bijeshwori, Kathmandu. A three way between subject analyses ANOVA showed quantitative differences among the three groups according to individual differences.

## Issues in Language Teaching (ILT)

Moreover, the platform allows users to play games without creating personal accounts. Suggested materials include newspapers, short articles, poems and scenes from plays, all providing an authentic language medium. I should have straddled one foot in theories and another in practice but I fell into deep gorge of theories and practices.

Shortly I met my supervisor to finalize my topic and with some suggestions he approved my topic. Thus, it is believed that present situation demands practical knowledge, skills, training and insights Mishra et al. Teacher Wellbeing, Oxford University Press Mohan, R.

**‘Using all English is not always meaningful’: Stakeholders’ perspectives on the use of and attitudes towards translanguaging at a Chinese university**

Hispania, 75 3 , 734–735. I feel deprived of one of the basic needs of day-to-day normal life due to a lack of personal and emotional contact with students, colleagues, and close ones for an extended period.

**‘Using all English is not always meaningful’: Stakeholders’ perspectives on the use of and attitudes towards translanguaging at a Chinese university**

Also, different cognitive styles play a vital role in the life of adolescent students.
