National Library of Wales General Manuscript Collection

Later, with enlarged jurisdiction and more complex cases, the County Courts provided greater scope for advocacy and advocates. In the architectural realm, even Nonconformist chapels came to be built in the ecclesiastical Gothic style.

Dictionary of National Biography, 1912 supplement/Amherst, William Amhurst Tyssen

Like the bar, the English legal system at the beginning of the century had changed little from its medieval origins.

Dictionary of National Biography, 1912 supplement/Amherst, William Amhurst Tyssen

The surviving notes of his Pop speeches contain a Latin passage.

GENUKI: Hawarden, Flintshire

Provincial courthouses were erected in towns with populations ranging from several thousand to several hundred thousand. The Influence of the Unions on Public Life The Gladstone connection gave the Oxford Union, not only its reputation as a nursery of statesmen, but also a self-consciousness of its role as a starting point for great careers in public life.

Juz' al

Peel used English quotations only somewhat less frequently than Latin in his parliamentary speeches. Williams NLW MSS 16152-63; 16335-40.

Introduction to Western Manuscripts at Dartmouth College

But one does not need to rely upon literary sources alone to justify such an inquiry.
