Both sides are worked by puppets.

## Before you continue to YouTube

There is too much pain, I want you to end it for me. Usually combines with devil or bone wings, but it can also combine with angel wings for that fallen or distorted angel look. Her title isn't for nothing.

## Before you continue to YouTube

She was suddenly pulled back, and she felt a tail closing around her neck.

## Wings of EVIL!

Do you recognise the true goal here? For instance, one a pterosaur wing and the other a dragonfly wing.

## Good Wings, Evil Wings

. May be a case of or.

## Two Wings of the same Evil Bird

They are made of bone and look like a broken-open ribcage.

### **Before you continue to YouTube**

Which isn't bad on the Good planes, but means more of unfriendly attention in other places. The archon Zohls has pure white bat wings, and the azata Black Butterfly, who is strongly associated with outer space and constellations, has butterfly wings resembling holes into the night sky. Maybe all the angels are not for being white.
