Thus, this article lists more studies here concerning Washington interest group politics than either state or local interest group politics. They compete with similar groups for membership, and with opponents for access to decision-makers.

Scott Rasmussen: The history of special interest politics in America

Seen in this light, many seem to believe that politics would be much less offensive if we could just get the special interest groups out of the way. There are again two methods of removing the causes of faction: the one, by destroying the liberty which is essential to its existence; the other, by giving to every citizen the same opinions, the same passions, and the same interests.
