Sicilian Carousel by Lawrence Durrell

But it will stand heat to an astonishing degree and keep the beauty of its grey- silver leaf. Born in Jalandhar, British India, in 1912 to Indian-born British colonials, Lawrence Durrell was a critically hailed and beloved novelist, poet, humorist, and travel writer best known for the Alexandria Quartet novels, which were ranked by the Modern Library as among the greatest works of English literature in the twentieth century. Madison, NJ: Fairleigh Dickinson U P, 2016.

9780670643622

It was, like them, an island of the mid-channel—the front line of defense against the huge seas combing up from Africa.

Tripadvisor

Reading the book is like joining the conversation between Martine and the narrator about Sicily and seems a better book to read after one has some experience of the island to compare to the impressions of the now-dead Durrell and the long-dead Martine. They were on the plane but not of our party.

Sicilian Carousel

He offers observations on the social dynamics among a group of idiosyncratic strangers thrust into close quarters, recollections of a dear, deceased friend who had lived in Sicily, and reflections on the unique history of the island and the sites visited.

Sicilian Carousel: Adventures on an Italian Island

The first three books tell essentially the same story and series of events, but from the varying perspectives of different characters. Durrell's father died of a in 1928, at the age of 43. I just love anything about Sicily; it's a magical island.
