## Foreign Policy Watch: India

Through its possession of the Cocos Keeling Islands, Australia can provide access to the Indonesian straits, overseeing the waterways linking the Pacific to the Indian Ocean.

## Competition in the Indian Ocean

The US will, therefore, have higher expectations of its security partners. At the same time, instability and centrifugal forces such as those arising from religious extremism and terrorism in our neighbourhood can and do threaten our own security and development.

## India will always be dependable partner & reliable friend of Sri Lanka, says Jaishankar

From UPSC perspective, the following things are important : Prelims level : The East China Sea, the Bohai Sea, the Yellow Sea, the South China Sea  
Mains level : Paper 2-India's Indo-Pacific vision and China's BRI As India tries to diffuse the tension along the disputed northern border with China, it must focus on the other potential fronts that China could open. And how do we pin that in the proper places with our strongest, most important allies? But some short term steps is also necessary.

## India in the Indo

From UPSC perspective, the following things are important : Prelims level : Vladivostok and its locations  
Mains level : World History: Opium Wars When Vladivostok, the main city of the Russian Far East, marked the 160th anniversary of its founding, it resulted in a wave of abuse from Chinese social media users who claimed that the city historically belonged to China.

## Indian Ocean Trade Routes: Asian History

As Australian national-security strategist Rory Medcalf wrote in 2013, the term Indo-Pacific between the Indian Ocean region and the Western Pacific.

**India will always be dependable partner & reliable friend of Sri Lanka, says Jaishankar**

In particular, our starting point should continue to be greater engagement and cooperation with Indo-Pacific democracies.
