Public Housing in Hong Kong: The Challenge of Housing the World's Most Populated Region

I witnessed one instance of this along one stretch of street in Hong Kong. Although broader in scope than Hong Kong, an important chapter for understanding the role of the extended family in the traditional Chinese architecture of the territory. In a similar way we as inhabitants act as schizophrenics in how we perceive reality within the realm of the metropolis where we are no longer aware but desensitized by the very factors that make up the city.

Even 21 Years Later, This Building Is Still the Real Star of Chungking Express

I had realized that there was actually a good amount of people that spoke English, the cultural make up of the city was actually quite diverse, and most of all, the food was surprisingly more international than I had previously thought. Then again, if you took the high-speed rail, not only could you have gotten to the Bay Area more quickly, but also then transferred to the efficient Bay Area Rapid Transit train system that would have brought you even closer to your destination.

The MUST

Imagine being able to live in central California and be able to work in either the San Francisco or Los Angeles area, without paying the often-outrageous living and property costs.

Lights Out: Hong Kong Bans Iconic Neon Signs from City Streets

Read more about the project. Hong Kong: The Hong Kong Bank, 1986. One may look to the New Territories to offer the better alternative for either implementation at a broader scale or across a more vast land area than a single parcel or block.

Metamorphosis in Hong Kong Documented in 'Cocoon' Photo Series

. Read more about the project. This decision has been met by significant derision from both environmental groups as well as elected officials, and it

remains to be determined the outcome of this study.

Lights Out: Hong Kong Bans Iconic Neon Signs from City Streets

It is interesting to see this same strategy utilized at the 2010 World Expo in Shanghai, only at the scale of a micro-city.

Hong Kong

Since Sunday is the only day that Filipino migrant workers have off they take to public spaces to reconnect with their community.
