The Lexicography of English

Terminology, once the reserve of paying specialists, is now freely available on the Web. It sold prolifically, the first two editions alone had sales of 7 million copies Hebert 1974. Current lexicographic products are not characterized by showing explicit, systematic, and organized cultural data about cultural words or expressions found in their vocabularies.

Lexicographica

In one of its meanings, take off is literal e.

During the Renaissance, excessive admiration for Roman and Greek cultures and languages led to the borrowing of words from Latin and Greek to remedy what was felt to be a lack in English of erudite vocabulary; and so abscond was borrowed alongside hide, calculate for count, emporium for shop, manuscript for book, protect for ward, transgress for sin, valediction for farewell.

Musical Scotland, past and present : being a dictionary of Scottish musicians from about 1400 till t...

A concise survey, in French, by a Canadian lexicographer, of the profession of lexicographer, outlining the tasks of a practical lexicographer. And it shows the kind of material that a lexicographer has to work with and interpret, in order to decide whether a form represents potentially more than one homograph, and to determine how many senses should be recognised.

A Survey of the Teaching of Lexicography: 1979

For example, knife, fork and spoon are kinds of cutlery; so, cutlery is the superordinate word, with general meaning, and knife, fork and spoon are its hyponyms, with more specific meaning. First of all, they have access to previous dictionaries, which can be mined both for the headword list and for lexical information.

R. Wooldridge: Lexicography

This study argues for a frame semantic approach to the treatment of Taoist terms, which are Chinese culture-specific.

Deutsch Im Blick

Any newly published dictionary will be either a new edition of an existing line of dictionaries or a new departure. Here are some examples: bells and whistles, black and white, bow and scrape, down and out, fast and furious, hammer and tongs, nip and tuck, pins and needles, rock and roll, sweet and sour, ups and downs, you and yours.
