## Jewish blood libels

As such, the court ruled, their action strayed from the norms of classic conscientious objection into the realm of civil disobedience.

## Indigo's Israel problem

Thus I have no other option than to refuse to participate. My refusal results from my resistance against the army's role in keeping things as they are. For Kidron, it was the bulldozing of Bedouin almond trees in preparation for the building of an illegal Israeli settlement and the subsequent lies by the Israel government to cover up what was being done.

## Refusenik Shaul Mograbi Berger

Matar is also the mother of jailed refusenik Haggai Matar, and one of the contributors to Refusenik! I too cringed when I heard their stories, but I was also hopeful: reserve soldiers are human after all, whatever their political views. Hundreds of Israeli soldiers, called up to take part in controversial campaigns like the 1982 invasion of Lebanon or policing duties in the Palestinian territories today, have refused orders.

## Israeli 'refusenik' and classical musician Omar Sa'ad to play seven UK concerts (30 Sept

In Israel, hundreds of soldiers called up to take part in controversial campaigns or assignments have refused orders. It is essential to be obstinate and speak your truth, down to the last comma.

## Kidron: Refusenik!! Israel's Soldiers of Conscience, Journal of Palestine Studies

Israel's a rogue terror state. I spoke to past draft resisters about prison conditions and I am trying to get used to this thought and how I will live there.

## Jewish blood libels

It's current government is its worst ever.
