A Taste of Home The idea behind A Taste of Home is to create a cookbook, containing meals and dishes that you will find on the dining room table of a typical French household.

Calories in Creme Brulee

For me, there's no such thing as a cheat day because eating isn't cheating. Over at the hot mains, we have a variety of European-style meat and vegetables dishes. I open the bag and start putting some on the meat scraps.

Marlene's piece of cake: 2013

My break that day consisted of cleaning fish, and trust me I was bitching a lot because it was not that fun at all, I had much prefer being at the bar next door playing baby foot or like we say here, fuss ball sipping a , a mixture of beer and sparkling lemonade, yes you can do that at 15 in France. And then you bite into those juicy prawns that have been so well-marinated.

Massimo Bottura Debuts 49

Rhum agricole agricultural rum is distilled from fermented sugarcane juice instead of molasses. If you don't have one I've seen people doing it with a candle or grill lighter, it will take a lot longer though. Place in refrigerator to cool for at least 2 hours.

Massimo Bottura's Whisky Sold for Over \$140,000

Be it mooching around an art exhibition or staring out of an airplane window, those solitary moments have also given me a chance for introspection.
