### 擬情語

Abe started writing novellas and short stories during his last year in university. Due to the confidence he placed in the rightness of his ideals, and the effectiveness of his , Gengo was seen as a man of charisma; he possesses a silver tongue and can assemble people through words alone. His followers had even gone beyond the Land of Silence and infiltrate each of the without raising suspicion; willing to stir an incident among their citizens at Gengo's command and putting the Shinobi Union in jeopardy of terrorism.

### Kōbō Abe

The Seibu Theater, an avant-garde theater in the new department store , was allegedly established in 1973 specifically for Abe, though many other artists were given the chance to use it. The grammatical characteristics of commercial recipes are likely a product of careful editing, aimed for

clarity and consistency.
