Sengoku Komachi Kuroutan: Noukou Giga (Title)

He only rarely displays emotions, but this is rumored to be because he is deliberately hiding them and that his face would be very easy to read otherwise. And it appears that she's set on becoming his ideal girl to make him fall for her. By mere chance, he rescues her.

Sengoku Komachi Kuroutan: Noukou Giga (Title)

Sensei was the prayer machine meant to help spirits like them move on, but he hasn't done so because of either being broken or other restraints such as morality stopping him. Produce sake all year round and release innovative and creative sake under the brand name Konishi.

Sengoku Komachi Kuroutan: Noukou Giga (Title)

The Lunarians are the spirits of humans who were not purified by prayer before the impact destroyed humans, so they are essentially stuck in limbo as Western audiences may associate it with.

Kongo

Sometime after, they discovered a newer, but weaker,. The only specific human mentioned is the , the one who created him. Thus, she can only cast this spell once a day.

Sengoku Komachi Kuroutan: Noukou Giga (Title)

Tengu Sake is delighted to bring two Konishi branded products to the UK.

Sensoji Temple

This isn't explained, however, but Lunarians being one of the closest members of the pieces of humans shows a hint of what it may be.
