Eric Gill, A.R.A. (1882

Doves Press, 1900 Encouraged by Morris and wife Jane, T. Many contemporary artists still look back to Morris as an inspirational figure. Important typographic figures who emerged from the private press include Eric Gill, Bruce Rogers and Frederick Goudy.

The Private Press Movement Spreads in Europe and The United States

Yet, one of the great paradoxes of art movement was that it achieved quite the opposite.

William Morris

Soon, he discovered his lifelong passion for writing poetry, and his fate as a creative was sealed when he met fellow student Edward Burne-Jones, a budding artist and designer with whom he would remain friends for the rest of his life.

William Morris: A Life for Our Time

The artists took so much pride in the manual craft and quality materials that it was only the well-heeled customers who could afford the art and design.
