Synchronicity, Symbolism, and the Meaning of Numbers ★ LonerWolf

I sat down and went through the bounce notifications for the November newsletter, thinking that because some of you found me through a family member, I'm just going to list whose emails are bouncing --along with why they bounced-- and ask the Family Grapevine to do its thing. In decimal, $6 + 6$ equals 12, but in duodecimal it equals 10; so, if using decimal arithmetic with duodecimal numbers one would arrive at an incorrect result. Thus you have the 12 tribes of Israel, 12 princes of Ishmael, 12 disciples or followers of Jesus, Buddha, Osiris and Quetzalcoatl.
