

In the year 1932 the Civil Disobedience movement started by Mahatma Gandhi with the famous Salt Satyagraha was at a low ebb and the repression by the British Government was in full swing. Specific elements include the foundations of spiritual practice; the benefits of energy-building

[PDF] God Talks With Arjuna The Bhagvad Gita

It deals mostly with Philosophy and the theory and practice of non-violence. From that first of contact Vinoba remained steadfast in his loyalty and devotion to his chosen master, though it would be doing an injustice to him to regard him as a disciple in any narrow sense of the term.

Talks on the Gita by Vinoba Bhave

As someone whose brand of Bhakti is more on the side of nirguna parabrahma I have often wondered if I am an atheist , this commentary really resonated.

Talks on the Gita by Vinoba Bhave

His emotional nature is reflected in his literary style, and also in these talks. F Reading in the source language is always better.
