## Essay About Theodore Roosevelt

He charged those he called "malefactors of great wealth" with arrogantly ignoring the public welfare, and he proposed a series of laws to regulate industry, but to get those laws through Congress, he would have to fight the members of his own party. One night a number of the cowboys and Mr.

Bunau-Varilla wanted Roosevelt's assurance that the United States would not oppose the Panamanian rebellion.

## FREE The Strenuous Life by Theodore Roosevelt Essay

Lights in the trains were lowered and the passengers took off their hats in tribute to the memory of the distinguished American. The truth is, gentlemen, that each one of us has in him certain passions and instincts which, if they gain the upper hand in his soul, would mean that the wild beast had come uppermost in him.

## **AMERICAN BOYS' LIFE OF THEODORE ROOSEVELT**

Such a nation, so placed, will surely wrest success from fortune. If townspeople do, generation by generation, tend to become stunted and weak, then they will die out, and the problem they cause will not be permanent; while on the other hand, if the cities can be made healthy, both physically and morally, the objections to them must largely disappear.
