20 Greatest Explorers & Their Unforgettable Stories [Famous Explorers List] — What's Danny Doing?

. In addition, high-resolution television cameras, , pressure meters, and are other notable instruments for deep-sea exploration invented by the technological advance.

6 Famous Naval Mutinies

In the struggle, though, the forward deck plating had been damaged and the sub could no longer submerge. The Chinese were hoping to impress the rest of the world by traveling to other countries and showing how well its explorers knew the Indian Ocean. He succeeded, enhancing commercial ties to the region and becoming only the second person to sail from Portugal and across the Indian Ocean.

16 Famous Explorers and Their Incredible Stories • The Art of Travel: Wander, Explore, Discover : The Art of Travel: Wander, Explore, Discover

The islanders were not happy, and tensions between the natives and Cook's crew culminated in Cook's death when a native struck and killed him on Feb. Cook found work as a merchant mariner at a young age and climbed the ranks to captain. After finishing the work, Cook got additional orders from the Admiralty for the rest of the expedition — searching the Pacific Ocean to find traces of the legendary Terra Australis.

8 Great Sea Adventure Stories

Others went to unfounded territories and vanished, never to be heard from again.

Canada's History

The voyage was expected to last four years. They followed the sperm whales in 1977, an adventure documented in the film Gentle Giants of the Pacific. Da Gama was taken ill and died that year, to be sailed back to Portugal for burial a whole 14 years later, in 1538.
