How Offenders Transform Their Lives. Parole supervision, change in the self, and desistance from substance abuse and crime pp.

**After Crime and Punishment by Shadd Maruna**

Australian and New Zealand Journal of Criminology, Vol.

**Reintegration of Offenders to the Society Best Academic Writing Company**

Recidivism of prisoners released in 1994. Gender, crime and desistance: Toward a theory of cognitive transformation. United Nations Office on Drugs and Crime.

**Derrick Franke**

They discuss that most of the offenders once released back to the community expect to be treated by others like normal human beings. New York: Russell Sage Foundation.

**Once a Criminal, Always a Criminal? Attitudes Towards Reintegration of Released Prisoners Among Israeli Public**

This is because once out, the eye of the public is on them from all corners and chances of violent attacks are there. This book seeks to address the important set of issues involved by bringing together the best of recent thinking and research into desistance from crime, drawing upon research in both the UK and the USA, and with a distinct focus on how this might impact upon the design and implementation of ex-offender reintegration policy.

**Is desistance from crime different for girls?**
