The fact that he did not do so, but pushed his strategy ahead, knowing that his life was at stake, adds real greatness to his political figure. In 1955, Borghese became president of the union of former soldiers of the Salò Republic, a key recruiting ground for Gladio. Luckily, another bomb in the center of Milan, at Piazza Scala, did not explode.

Things have now escalated, as the failure of BoI supervision in the Parmalat case is dramatically evident.

### Il Fronte dell'Uomo Qualunque: un liberalismo dimenticato

The Red Brigades demanded the liberation of all of their comrades in jail, a demand which could never be met and this strengthened the position of the hard-liners.

### Le elezioni del 1948 e la demonizzazione dell'avversario politico

Their sponsors also launched Europe into its bloodiest wars, World War I and World War II. In the following days, several experts interviewed by EIR, as well as some newspaper commentators, independently pointed to the same analogy. Rezensionen 2009: Rezension zu: Luke Springman, Carpe mundum.

We know very well — and we have already emphasized — that the roots of fascist totalitarianism lie deep in the social body of the nation: where there are privileges that refuse to give way to the justice demanded by a democratic society; where there is narrow mindedness, egoism and introversion; where there is a fear of freedom rather than a belief in its creative, redeeming strength all things considered, a strength that regulates and provides guarantees ; where people look at things and at the course of history superficially; and where people rashly put their trust in the illusion that violence has the capacity to resolve issues. Rezension zu: Loreto Di Nucci, Fascismo e spazio urbano. Sara' anche a capo di una loggia massonica coperta attraverso la quale intratteneva ambigui rapporti con uomini d'affari in Sudamerica.
