Hermann Broch, Die Schlafwandler: Revolution and Apocalypse on JSTOR

The stanza can be made up of lines of the same length. Many of these journals are the leading academic publications in their fields and together they form one of the most valuable and comprehensive bodies of research available today. Apophasis, in the sense of an articulated abstinence from knowing and a denial of saying, 1 or, more precisely, a second-order discourse about inexpressibility, 2 is a phenomenon that is not restricted only to religious or philosophical texts.
