I don't know if she ever told anyone, but I never heard anything about it from anyone. Bonus: Stephen King got the name Castle Rock from one of the locations in Lord of the Flies.

Little Fish: Read the short story that inspired the movie

As far as Roberson was concerned, the rescue operation was now a manhunt. She went upstairs to check on her sleeping toddler. I looked at my aunt and saw her panties wet.

. That, in fact, was how he'd come up with the idea of leaving his BlackBerry conspicuously at a gas station on the Friday before his disappearance. For a moment I forgot to smile back.

TIME

But we were not prepared for the creepy horrors to come. I personally, as a gigantic horror wuss, owe a debt of gratitude to this year's judges, particularly Hendrix, for their help writing summaries for all the list entries. The small mansion with bay windows we would buy in Pacific Heights.

I was scared to death for months afterwards. I saw the children playing, watched how high they swung. The story copied the fonts and design of the New York Times, and even used the bylines of two of its political reporters.

About The Flickertail Times

What do you miss most? In July, VandenBerghe, who has 202,000 Instagram followers, posted a with unambiguous jump cuts, showing a series of verbal gaffes. I did til she came and pushed me away.
