What does Den of Thieves mean?

It allowed his wife and children to keep hundreds of millions of dollars. But it does appear that everything is in place for Den of Thieves 2, at least in terms of story and structure. His gleeful and lurid details of demons and horrible illusions occasionally teetered towards the purple, which isn't really my cup of tea.

'Den of Thieves' Review: Gerard Butler in a Mann

Cold Iron hurts demons, hot iron feeds them, silver can be held by the supernatural and has odd properties when it comes to the supernatural, gold also does something. The characters lack depth and the dialogue wasn't overly memorable. I started reading it and got slightly bored after a while so I took a break and read a few pages every now and then.

Those who were privy to that information before it became public could make huge sums of money.

Matthew 21

Executing a genuinely is no easy feat.

Den of Thieves (Stewart book)

Nor were these isolated incidents. Yet history offers little comfort. Millkin and others involved made literally billions, some served prison terms, almost all came out of it quite comfortably.
