Motives (Video 2004)

Without giving away too much in the first scene of the film Shemar Moore's character, Emery Simms, our protagonist murders someone, in a poorly shot, cheesy fight scene, which honestly lowered the quality of the of an otherwise well made film. Nevertheless, not everyone feels the same kind of bond with them. If there was no visible payoff for doing this, would I still do it? Primary motives are related to survival.

These are oxygen, carbon, hydrogen, and nitrogen.

Watch Motives

Other primary motives are fleeing from danger, looking for protective shelter, and fighting to defend yourself. Articles and opinions on happiness, fear and other aspects of human psychology.

Motives 2 (Video 2007)

Things go dangerously awry when Emery engages in an adulterous fling with the exotic Allanah. And the suspects just skyfing on each other trying to stay out of trouble. Why do you do what you do? In this article, we talk about what Buddhists want us to learn.
