Nikola Tesla: The Man Who Gave a New "Light" to the World

With the help of investors such as Westinghouse and J. He spent his spare time playing cards with local men on the streets.

Videos

Very interesting article, it was very easy to follow and was full of great information.

Nikola Tesla

Tesla Memorial Society of NY. In that world lights are not as good and there are no phones or cars or anything powered by electricity.

Nikola Tesla: Physicist, Inventor, Electrical Engineer

National High Magnetic Field Laboratory website, Florida State Univ. George Westinghouse: Gentle Genius, Algora Publishing, pp.
