ABOUT US

The stylish red and black design was based on that of the Australian Optometric Association, and was adopted with their approval. Professional Advancement Program PAP launched.

The History of The American Optometric Association

A memorandum of understanding with the US Department of Health was formally adopted and continues to this day. Prior to 1976, there were only eight full-time doctors of optometry in the entire organization! Journal Indiana University, Bloomington, and Indiana Optometric Association. Proposed in 1905 by E.

History of Optometry in the VA « Optometry Cares

Powell and Howlette as re-segregation. First projects included the preparation of a manual of standards for clinical care and the development of accreditation procedures.

The History of The American Optometric Association

While the Code of Ethics of the AOA 2007 sets forth the basic tenets of ethical behavior for optometrists, the Standards of Professional Conduct amplifies the Code of Ethics and describes appropriate ethical and professional behaviors in greater detail. They also had no plans to re-segregate optometrists.
