### **Critical Reading: What is Critical Reading, and why do I need to do it?**

The best way to find the answers is through reading.

### **The Reading & Writing Project**

The writer should know how to express their ideas easily and creatively in a way that the reader feels attracted, must plan well what they want to express and be organized.

### **Colorado Reading Center Denver CO**

Becoming reading-fluent is now a cakewalk! Monica Burns, a former classroom teacher, speaker and author. Before you read, you survey, or preview, the text.

### **Academic Reading Strategies**

Classroom practices can be designed so that students use writing to read and reading to write. It provides knowledge, helps us formulate our thoughts, expands vocabulary, develops critical thinking skills and enhances creativity. Use the SQ3R process to complete the reading.
