India news

India reaches its peninsular tip with South India, which begins with the Deccan in the north and ends with Cape Comorin, where Hindus believe that bathing in the waters of the three oceans will wash away their sins. Because of India's size, its climate depends not only on the time of year, but also the location. It is bounded by the Arabian Sea in the southwest; by Bay of Bengal in the southeast; and by the Indian Ocean in the south.
