He signed the Pacific Railway Act into law on July 1, 1862, committing federal resources to the ambitious plan to build a continuous rail line from the Atlantic to the Pacific. They came in two batches, the first 20 arrived in 1941.

Union Pacific Railroad: Map, History, Facts, Logo, Definition

The large quantities of coal in eastern and central Utah were just being discovered in the early 1880s when the Denver and Rio Grande Western completed its line into Salt Lake City during 1883. Needing additional and more powerful locomotives for passenger operations UP went to the American Locomotive Company Alco requesting a batch of 4-8-4s.
