Gaudy Night

Such phrases usually imply time, place, degree, or manner, and are equivalent to adverbs. To proceed to closer details regarding the actual scheme of the laws of political revolutions as drawn out by Plato, we must first note that the primary cause of the decay of the ideal state is the general principle, common to the vegetable and animal worlds as well as to the world of history, that all created things are fated to decay—a principle which, though expressed in the terms of a mere metaphysical abstraction, is yet perhaps in its essence scientific.

The Occupy Handbook by Janet Byrne, Paperback

He has published eleven books of poetry. Several of the poems were Pushcart Prize nominations and were reprinted in major UK magazines such as Agenda, The London Magazine and Stand Magazine. Not rounding off but opening out.

Hayek and Classical Liberalism: A Bibliographical Essay by John Gray

It is worth noting, for example, that the Swiss are driving a wave of radical reform with a mere thirteen-page statement of principles; this compares with hundreds of pages now floating around places such as the United States and the euro zone.

Arthur C. Clarke: Out of the Ego Chamber

As Howe convincingly argues, the anti-Corn Law agitation was an element of the new political activism inaugurated by the 1832 Reform Act. Since 1951, Clarke—despite the fact that he has never learned to swim properly—has been an ardent deep-sea diver and photographer in such diverse places as the English Channel; Clearwater, Florida; the Great Barrier Reef of Australia; and along the coast of Ceylon. Was this owing to there being twelve primary deities among the Gothic nations? This resemblance may exist in all conceivable gradations, from perfect undistinguishableness to something extremely slight.

Hayek and Classical Liberalism: A Bibliographical Essay by John Gray

He does so on the following grounds:— First of all, he points out that in the ancient days the Greeks had no slaves at all, so the mention of them in the matter is an anachronism; and next he declares that he was shown in the Greek city of Locris certain ancient inscriptions in which their relation to the Italian city was expressed in terms of the position between parent and child, which showed also that mutual rights of citizenship were accorded to each city. Appointments to these Fellowships shall be made upon the recommendation of the Director of the Centre for Theoretical Cosmology, in consultation with other Managers who are University Teaching Officers in the Department of Applied Mathematics and Theoretical Physics working in a relevant scientific discipline. The common factor was that these all reduced the cost of political participation, mobilization, and propaganda.
