Sylvia T. Johnson Obituary in Hogansville at Thrash & Son's Funeral Home

Divers pulled the weeds and volunteers on the surface used nets to gather stray bits of the plant. We are indigenous women of Maple Nation: grandmothers, mothers, daughters, sisters, and babies, gathered from many Indigenous Nations from the four directions.

Confucius

Most episodes feature Monica ruining her chances with guys due to the ever-so-creepy fact that she talks to their dead relatives while they split a pizza-- as you can imagine, it doesn't really go well. These psychic twins are probably most known for their crazy predictions that kind of turn out true. Women are honored in our cultures as givers of life and caretakers of the land and water, gifted with special connection to the sources of life - to seed, soil, water, and plants.

Lily Dale, New York

Her raspy voice and long acrylic nails appeared many times throughout the 17 years the talk show was on the air. All of these are necessary to prevent the spread of milfoil. Banning, CA: Malki Museum Press.

Maple Nation

Drip a drop in an ear to diminish an ache. As our world is poised on the brink of climate chaos, the time to listen and act on those teachings is upon us. Lily Dale, NY: Dale News.

The day after the Inauguration

These poems, punched and pinched out, are fruit of that pause, that clay of undetermined size, we know as the quarantine. Kennedy who forged a marriage between politics and Hollywood. Our locally grown delivery drivers are savvy to every twist and turn in the town.
