### Arab Nationalism: Mistaken Identity

However, some Berberists say the results were manipulated to allow the king a new democratic image in order to survive the staged uprisings in North Africa, since some western leaders expressed their desire for the king to remain as opposed to Gaddafi and others who must go. They turned mosques into churches and sometimes even into bars.

### Chapter 4: Bunker State Capitalism

This is instead an embrace of fascism and conspiracism by certain sections of the Left for the sake of a crude, kneejerk and vulgar geopolitical alignment inherited from Cold War campism, and which goes beyond rightfully opposing American imperialism to instead supports oppressive states which commit war crimes or are themselves imperialist if they stand on the other side of the US on a geopolitical issue. It is more likely that a bloody stalemate has set in, with both sides too exhausted to win a decisive victory. The Syrian case suggests that Algeria could win the battle against internal violence, but still lose the war against economic stagnation.

### Prometheus and Hermes

Ben Bella was eventually ousted by Houari Boumedienne in 1965, to begin his agenda: the Arabisation program. Bennabi thought that Islamic democracy existed at its best during the first Caliphs.

In addition to various cooperation and assistance programmes with partners in the United States, there are Dutch, Canadian, Australian, and German scholarship programmes relating to Islamic studies and to young Muslim leadership, an exchange programme for imams from Indonesia and the United Kingdom, and other similar initiatives. Dugin then returned to Russia and founded Arktogaia, which published material expressing support for a conservative social revolution in Russia which would lead to the creation of a traditionalist, authoritarian and spiritual society. Unlike the defeat of 1948, which inaugurated a bout of instability, the even more humiliating defeat of 1967 marked the beginning of an era of unprecedented stability, even immobility.
