## Balaam's Error

This is the typical form of prophetic address found in the books of Isaiah, Jeremiah, and other Israelite prophets. Eventually, knowing that God would not permit Him to curse Israel, Balaam cunningly advised king Balak to cause the people of Israel to whore with the daughters of Moab and enter into idol worship. Instead, seminaries and congregational Leaders have actually taken these New Testament Bible Truths, and made THEM to seem as fables to most Believers today, by promoting the Error of Balaam, by teaching the Doctrine of Balaam.

## What is the error of Balaam?

At first Balaam could not see the angel, and in anger and frustration he struck the ass three times.

## Discover What the Error of Balaam Was

We can not look at these details now, but notice that the ultimate end of these leaders does not appear to be good. If we are to be counted among the Bride of Messiah, we must repent of the practices and Doctrine of Balaam.

## The Doctrine of Balaam Today: A Warning to the Bride

Jude 1:5-7 Here we see Jude giving a stern warning to the Believers. Eventually the parents relent, not because they changed their mind, but because they want to teach their offspring a lesson about making good choices or learn what happens when they select bad paths.

## The Way of Balaam

The Error of Balaam, if we do not judge and repent of it, will go on to become the Way of Balaam.

## Balaam's Error, Satan's Tactics

This would be the same as if members of the Church of God today would turnaround, and begin to embrace once again, the worldly spirit of Christmas and Easter. Only two possibilities remain: either Oral lied, or he was lied to by a deceiving spirit. With that intent, the king then met with

the elders of Midian: And Moab said unto the elders of Midian, Now shall this company lick up all that are round about us, as the ox licketh up the grass of the field.
