Native Americans and the Federal Government

The Indian Rights Association, one of the few surviving nineteenth-century reform groups, supported the AIDA goal of protecting Indian property. Termination of a tribe meant ending the special trust relationship and converting tribal reservation lands to private lands.

Changing Native American tribes in Arkansas

Louis, and sold souvenirs and photographs of himself. He and his brother, George Colbert, were prominent interpreters and negotiators with appointed negotiators related to Indian Removal.

Native Americans and the Federal Government

Y5 M66 Montezuma was a physician and American Indian activist, and a founder of the Society of American Indians.

Daily Life of Native Americans in the Twentieth Century

This advertisement follows the same formula as many of those discussed previously. He diligently worked with other Navajo leaders, such as Manuelito to keep the peace with the white settlers. However, the majority of delegates refused to support the peyotists and shortly the Society of American Indians went on record as favoring federal legislation to outlaw the use of peyote.

Native American Heritage Timeline 20th

J Chief Joseph 1840-1904 — Chief who resisted the forced removal of his band to a reservation in. The Saturday Evening Post, School Life, and Good Housekeeping regularly carried articles antagonistic to the emerging Indian reform movement.

Native American Civil Rights in the 20th Century timeline

This is certainly an interesting hub.
