### How to Draw: Free Beginner's Course

Choose a letter of the alphabet. Jon deMartin suggests learning to draw a sphere by drawing one inside a square.

### Introduction to Drawing and Sketching

The softest pencils are labeled B for bold and the hardest are labeled H. Change the circle into a sphere by modeling evenly, gradating from light to dark. Fill in the irises, draw the eyelashes, and start refining the nose, lips, and ears.

### How to Draw a Face (Proportions Made Easy) : 14 Steps

In this sixth lesson of the series, renowned illustrator and educator, Mark Westernmoe, will teach you the time-honored practice of plaster cast drawing.

### How to Draw a Face (Proportions Made Easy) : 14 Steps

You've drawn a properly proportioned face.

### Introduction to Drawing and Sketching

In part, the religious prohibitions encouraged the development of a distinct abstract decorative language that became another principle feature of the arts of the Islamic world. The detailed illustrations in this free eBook will help you understand the different steps required to learn how to draw a cylinder and how to correctly position cylinders in space. Week 3 Perspective — how to draw space simply, then understanding perspective constructions.

### Introduction to Drawing Skills Online Short Course

You can even subscribe to my mailing list to get notified when new lessons are posted! This is a must in drawing for beginners and is well laid out in this free guide. Use one continuous line using your whole arm, not just your wrist.

## **Learn to Draw**

Go slow and draw every single crease and wrinkle in your hand! Everyone needs to say at least one thing! In this second lesson of the series, Chris and Heather will help you prepare to draw in your own studio. These guidelines show the following rules of facial symmetry: 1 Eyes are positioned at the vertical center line of the head.

## **ARTT 100**

Consider such criteria as: good design, harmonious relationships among parts, craftsmanship, the aesthetic response the work provokes, whether it was intended to be seen as a work of art.
