## Ignorance

Satan, not surprisingly, comes to the left side of the head and offers the agonized person a cup of cold water. This is usually seen as the next stage of development of the soul; in this condition one is aware of the temptation to wrongdoing and strives actively to overcome it with the assistance of God. While in the grave, he says, the spirit and body are associated pp.

Some of these ideas are based loosely on the Qur'ān, but most are offered without such reference because of the paucity of concrete commentary in the Qur'ān on this subject. Spiritualist ideas are not inconsistent with the understanding expressed in all religions about punishments and rewards after death, he says, but these must be seen to be of a purely spiritual nature. As for the second, he fears this path because he is not prepared for it, not believing in it beforehand.

## Arabic Proverbs

According to tradition, Rumi was himself a notable musician who played the , although his favourite instrument was the or reed flute. Islamic tradition, as we shall see, has gone into great detail in describing the angel of death and the process by which death actually takes place. Kremlin himself was distinguished for ignorance, for he had only one idea, and that was wrong.

## Arabic proverbs

As we were created responsible, so shall we be held accountable, each person for himself and no soul answerable for the actions and beliefs of any other. He begins by saying that whether or not the body lives in the grave in the same manner it lived on earth is a matter for God's will and decision. Now, say many of these writers, the signs are apparent and the end is imminent.

### **Carol Bardenstein**

The spiritualist movement they see not only as responsible for a serious misinterpretation of religious literature, but as a plaything in the hands of those who have only partial and incomplete knowledge of what modern science is beginning to unveil.

### **Arabic proverbs**

I am death who separates daughters from mothers! And I am ashamed in front of my neighbors. All that exists until the day of resurrection is written on it. This access, however, is not reversible.

### **Arabic proverbs**

Vain is every protest of the individual that he has been dealt with unfairly or that there are mitigating circumstances by which judgment should be postponed or rendered lighter. Thus, he says, we see that transmigration is against the understanding of science and the human intellect and an obstacle in the way of civilization and progress.
