A self-described 21st-century peasant, Heinricks follows the seasons in his vineyards with exquisite attention, from digging the earth, to grafting and planting the vines, to trellising and pruning, to tending the young grapes, to harvesting the fruits of his labours. Dust Jacket Condition: Very Good. Bright yellow balloons hang over the Pinot Noir, and metallic red and silver tape flashes brilliantly in the sunlight.

Following the string of calls down the trees, I finally spot one crow, sitting atop the highest maple. The title is apt and conveys the work's gentle humor.
