How Does Gypsy Rose's Interrogation IRL Compare To The One In 'The Act'? [ARTICLE]

Helmer Don't be so frightened. MARGARET: That's a problem that I will have to work out. Only the master went to bed so early last night! Your loud voice everywhere, your fat old body butting in here and there! What does it signify—poetry or directory, a mere matter of detail—tastes differ—he likes directory! Oh, that I ever should have allowed a man to save my life who would afterward deny me such a simple favor as this! By 1917 her health had deteriorated from overwork on the Entertainments Committee and, ordered to rest, she was offered a free trip to New Zealand by the military authorities.

If only I could be sure nothing would happen here in the meantime. Margaret had crouched gasping to bed at child's entrance.

Peggy Wood (1892)

Come on, open this door! Yeah, just wait till I blow some smoke up his ass. She is a short, stout woman; her sixty years and 170 pounds have left her somewhat breathless most of the time; she's always tensed like a boxer, or rather, a Japanese wrestler.
