Margaret Read MacDonald

.

where olga's been

Margaret Read Macdonald currently lives in and spends time in the summer on where she holds a storyteller's retreat. A good story can trigger

your brain to release cortisol the stress chemical or oxytocin the feel-good chemical. Much like your mission, people want to know not just why and what you do but how.

How to Tell Your Brand Story (Plus Awesome Examples)

This is an obvious case of the need for a policy decision regarding cultural diversity on this issue. There are a million brands vying for attention, hopping on whatever bandwagon their competitors are on.
