## Bibliography of stored

The Commissioner of Food and Drugs appointed the following members of the Dental Products Panel the Panel to review the information submitted and to prepare a report under § 330. Proceedings of the Second International Neem Conference, Rauschholzhausen, West Germany. Damage effect of two storage mites Acari: Acaridida and their biology on the Shiitake mushroom *Lentinula edodes* at three constant temperatures.

## Veterinary Research, Veterinary Medicine, Animal Health

Scores 1 and 3 were comparable for the three study groups but score 2 differed, decreasing from baseline to 6 months from 74 to 17 percent for the essential oils, 70 to 23 percent for chlorhexidine gluconate, and 74 to 34 percent for the control. Gingivitis, especially when severe, may be self-diagnosable because people can recognize some of the signs of gingivitis, such as bleeding, gingival discoloration, and swelling, which gives rise to pseudopockets pocket-like structure caused by inflammation of the gingiva without effecting the sulcus base.

## Veterinary Research, Veterinary Medicine, Animal Health

Hyman, Eugene Kamper, Linda M.

## Free Access to Scientific Journals

TROPICAL STORED PRODUCTS INFORMATION 36:16-18.

## Euan Fleming

Post-harvest food losses in a maize-based farming system of semi-arid savannah area of Tanzania. About the occurrence of *Gibbium psyllodes*

Czempinski in Styria Col. Comparative cost effectiveness of four integrated pest management methods for storage of bagged wheat in Lahore and Multa.
