## Gillibrand, Staten Island Entrepreneurs Push For Federal Legislation Expanding Access And Opportunities For Women

San Francisco also offers residents facing financial trouble the opportunity to connect with local credit unions that may be able to offer loans on much more favorable terms than the alternatives offered by high-cost payday lenders in the state.

## Being a Certified Woman

However, realising the transformative potential of modern energy access is likely to depend upon identifying and addressing the unequal relations and structural barriers that exist, and incorporating these into the design and implementation of energy policies. The Small Business Administration SBA shall establish an Assistant Administrator for Women's Procurement within the SBA's Office of Government Contracting.

## SBA Proposes Rule to Expand Federal Contracting Opportunities for Women

This order is for internal management purposes for the Federal Government.

## Subsidy Reform: Expanding Opportunities for Women's Welfare Gains, By Victoria Ibezim

Leaders must work together to reverse this trend of neglect and strengthen distressed urban areas.

## Expanding Opportunities in America's Urban Areas

However, these businesses often lack the capacity to handle contracts of this size. Certification can be received through WOSB Woman Owned Small Business , which is overseen by the U. Programs include business training, counseling, federal contracts, and access to credit and capital.

## Gillibrand, Staten Island Entrepreneurs Push For Federal Legislation Expanding Access And Opportunities For Women

The House of Representatives passed a similar amendment earlier this spring. Hold state and local leaders accountable for improving transportation. In addition to expanding local control and providing more flexible funding, the federal program must also improve overall accountability.

### **Gillibrand, Staten Island Entrepreneurs Push For Federal Legislation Expanding Access And Opportunities For Women**

The concentrated poverty rate remains highest in big cities, where almost one in four poor residents lives in a distressed neighborhood. For example, the average American city contracts out more than one-third of its basic municipal services, according to one report. Some 42 percent of participants have been women of color, and 13 percent have been openly lesbian or bisexual.
