We argue, however, that far from threatening the idea of direct perception, these findings clearly contradict the idea of hardwired theory of mind modules.

Shevcov A. Mif o Trope. (Issledovanie odnogo obshchestvennogo dvizheniya sovremennoj Rossii)/Shevtsov A. The Myth of the Trail. (Investigation of one of the social movement of modern Russia): n/a: satis.farmjournal.com: Books

They should be utilized to a greater extent, particularly for the treatment planning of demented patients.

A. A. Voronin, Mif Tekhniki

. The following description is in Russian transliterated , followed by an automated English translation. Thus, the approach here is not exactly constructivism, though it shares many goals and results with constructivism.
