## 15 Best Places to See New England Fall Foliage 2020

Moving on from Portland, we continue our New England coast road trip deeper into the state.

### The Best Places to See Fall Foliage in New England

Get lost in New Hampshire! The region incorporates six states - Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island and Vermont — all easily accessible from Boston, and all dotted with ridiculously picturesque barns, churches and farmhouses. Before planning to ride this route, of the area. Shop all you can and then head to a picnic area in the lush rolling grounds for a lazy day under the sun.

### Best places in Britain to see autumn colours

Rangeley has enough New England character to be authentic, and it has enough connection with civilization to be approachable. Coastal Connecticut Road Trip Connecticut is an eclectic state visited often by both New Englanders and New Yorkers, the latter of which only live a short train ride away.

### 8 New England Hotels with Amazing Fall Foliage Views

Boston, Portland, New Haven, Burlington, Providence, and Portsmouth all have excellent brewery cultures. The bigger towns like Peterborough, Keene and Lebanon. Make sure to cover Paihia, Kerikeri, Waitangi, Russell, Kawakawa, Kaikohe and Okaihau of Bay of Islands.

### Best Rides to See the Fall Foliage

Hot pots and stews and are popular family recipes and can take on an Irish flair in certain ethnic parts of the region like Connecticut and Boston. Be sure to see the State House, the eclectic Brown University, the restored Arcade, and the First Baptist Church, among others, for a lesson in American architectural history. The trail transitions from smooth and flowy with a mellow grade to a narrower, more technical hand-built trail that climbs 1,700 feet to the top of the pass.

## **11 Best Trees to Plant for New England**

This means the farther north you go, the earlier peak conditions will occur, with the northernmost regions reaching their height as early as mid-September.
