Routledge Revivals Ser.: The History of French Colonial Policy 1870

Although being under , Morocco retained - de jure- its personality as a state in international law, according to an statement, and thus remained a sovereign state, without discontinuity between pre-colonial and modern entities. In establishing their protectorate over much of Morocco, the French had behind them the experience of the conquest of and of their protectorate over ; they took the latter as the model for their Moroccan policy. The French minted coins with denomination of , which were divided into 100.

Review: [Untitled] on JSTOR

The first years of the twentieth century witnessed a rush of diplomatic maneuvering through which the European powers and France, in particular,

furthered their interests in North Africa.
