Access to Kidney Transplantation in California: A Geographic Information Systems (GIS) Assessment

Changes in diagnosis, treatment, and clinical improvement among patients receiving telemedicine consultations. One is located in an area roughly corresponding to the Bay Area, south of San Francisco, near San Jose.

Access to Kidney Transplantation in California: A Geographic Information Systems (GIS) Assessment

Leavitt, Allison Ertl, Kameron Sheats, et al.

Rural Emergency Medical Services (EMS) and Trauma Introduction

UC Davis Medical Center

Rural Tulare County, spanning the peaks and foothills of the Sierra Nevada, is home to half a million people.

Case Study: A Transportation Solution for Rural Communities

The purpose of the meeting shall be to present a draft of the sustainable communities strategy to the members of the board of supervisors and the city council members in that county and to solicit and consider their input and recommendations. Date: 2013 Type: Document Sponsoring organization: Integrated Behavioral Health Project Provides information on seven emerging behavioral health aide BHA models: care coordinators and case managers; support workers; mental health first aid certified laypeople; peer counselors and peer specialists; promotoras with supplemental behavioral health training; Alaska's BHA model; and behavioral health practitioners. Students interested in a 'people-oriented'

specialty scored higher in 'handling the patient's frustration' compared with those who are interested in a 'technology-oriented' specialty.

Want a doctor's visit in your pajamas? You can with telemedicine

Impact of telemedicine on hospital transport, length of stay, and medical outcomes in infants with suspected heart disease: a multicenter study. Telemedicine reduces absence resulting from illness in urban child care: evaluation of an innovation. B Where the inventory of sites, pursuant to paragraph 3 of subdivision a , does not identify adequate sites to accommodate the need for groups of all household income levels pursuant to Section 65584, the program shall identify sites that can be developed for housing within the planning period pursuant to subdivision h of Section 65583.
