The Stages Of Puppy Growth

At around 8 months, when she has all of her adult teeth, your dog will be less bitey.

Would Your Dog Be Happier With a Second Dog?

They and their human companions were always together. Let's start with the little guys out there, the toy breeds.

How To Teach Your Clingy Dog To Be Independent

The more the dog matures, the more the training can become intensive, because his or her attention span has increased.

How To Teach Your Clingy Dog To Be Independent

Adaptil Junior, a collar made just for puppies, is impregnated with dog appeasing pheromone, a pheromone that mother dogs produce during the time that they are nursing their puppies. Dogs get the zoomies for a variety of reasons — when they are highly excited or aroused or after watching another dog engage in high-energy play. A non-shedding designer dog breed, the Zuchon is a mix of and.

8 Tips For Raising The Perfect Puppy

Be sure to take plenty of photographs and videos, to commemorate the process.

Would Your Dog Be Happier With a Second Dog?

Invest in high quality chew toys for your puppy, especially if he is teething. Charles Spaniel, French Bulldog, Jack Russell Terrier, Pug, and Shetland Sheepdog.

Would Your Dog Be Happier With a Second Dog?

Be very careful if your dog has some type of aggression during this time. Today, the opportunity for dogs to socialize is in many cases greatly diminished.
